Parents/Carers as Partners Policy

The happiest children are invariably those for whom Nursery and home create a close partnership.

It is our policy to ensure that parents/carers have the opportunity to be involved in all aspects of their child's care. Staff will work with parents/carers as partners in providing quality care for their children.

- All parents/carers will be welcome to visit at any time.
- Staff will consult and seek guidance from parents/carers in respect to the care given.
- Communication with parents/carers will be through care diary on Tapestry, weekly newsletters (Nursery), planning information, termly questionnaires and daily verbal contact.
- Ensure that parents/carers have the opportunity to review their children's progress on a regular basis with staff and ensure that learning journeys are available for parents to access at all times.
- Ensure that parents/carers are informed about the policies, procedures and guidelines of the department.
- Ensure parents/carers are aware of Parent Consultation Meetings that run throughout the year. If for any reason the dates specified are not convenient, an alternative date will be arranged.
